AIRBAG

Take the leap of faith from the tower onto the giant airbag. Flip, drop, or flop – it all counts, as long as you take the plunge.

OBSTACLE COURSE

Put your trust in your partner as they guide you across our suspended obstacle course while blindfolded.

ROCK CLIMBING

Scale our climbing walls using only one colour of handhold. Listen to your team on the ground, or else you might end up stuck between a rock and a hard place.

DOWN RUSH

Once you climb to the top of the tower, you'll have just enough time to gather your nerves (and breath) before leaping off and feeling the rush of the freefall.

STEPPING POLES

Ascend our famous pink stepping poles...are they wobbly, or is it just your knees?

ACTIVITY 03

RISING STARS

Dig deep and help your team rise to the top!

Race around the centre earning points for your team in this adrenaline fuelled mix of group and individual challenges.

INDIVIDUAL CHALLENGES

- Cross the gladiator beam while your team balances on it
- Cross the suspended obstacle course blindfolded
- Climb to the top of our advanced climbing walls
- Make it around the climbing challenge without touching the ground. If one person falls, everyone must start again
- Basketball shootout

TEAM CHALLENGES

- Dodgeball contest
- Tug-of-war
- Climbing wall relay
- Free jump relay

BONUS!

Be the first team to complete all group and individual challenges and pick up bonus points!

ACTIVITY 04

THE AIR LA CARTE

Pit team against team in a tournament with attitude!

Create a one of a kind event for your teams to duke it out! Pick four activities for a one hour event, or all six if you're in for two hours.

DODGEBALL COMPETITION

Battle it out in our dodgeball arena as you and your team fight to be crowned king of the court.

BASKETBALL RELAY

Race to be the first team to finish this free throw shootout. Make your shot and pass the ball on. If you miss, your team must start again.

ROCK CLIMBING RELAYS

A vertical relay race that will take speed, strategy and teamwork to win.

GLADIATOR

Giving new meaning to the term 'knock-out tournament', teams will battle it out on our gladiator beam in an effort to be the last ones standing.

TUG OF WAR

Heave Ho! Strength isn't all that's needed to win our tug-of-war competition - you'll need to work as a team and pull together to overcome your opponents.

BOUNCING BALLS

Pass a ball from one end of the free jump area to the other without touching the ground. The catch? You're not allowed to move from your spot. Easier said than done!
